

EuroContactPool – Pan-European Masterfile

Universe : 21,300,000 companies in 13 countries

What's the Source?

EuroContactPool provides an online mailing and telemarketing list covering more than 20,137,000 companies and 15,800,000 business executives in Europe. A combination of several hugely successful Pan-European databases has been combined into one European Masterfile. With detailed insights into each market, not only can this database be used for marketing purposes, we can offer intelligent targeting solutions to better the chance of success of the campaign.

Who's on the list?

Trade and industry throughout Europe, ECP is a database containing information on trade and industry throughout 13 countries. This is the quickest way to decision makers on the continent.

The file includes detailed, up-to-the-minute marketing data as well as just address information: size, geography, industry information, financial information and decision-makers. The extensive selection options, right down to detail level, are another unique aspect. You can search on a number of variables:

- Industry
- Geography - county, municipality, A region, postcode
- Size - number of employees
- Legal form
- Financial key figures
- Decision maker
- And lots more...

The details held can be supplied and updated automatically. Every change, be it minor or major, goes straight into the register. This means you'll always have a correct basis on which to work, maximising your potential of success.
